2. Employees who are granted a leave of absence by the District will be required to forfeit that approval if they obtain employment with another employer without prior school district approval.

ARTICLE 44 EXTENDED SICK LEAVE

An employee who exhausts all accrued paid leave and benefits under the Sick Leave Bank and is unable to return to work because of sickness or disability or is receiving disability benefits under the Worker's Compensation Act shall be placed on an unpaid leave for a period not to exceed one (1) year. The employee may be asked to submit supporting documentation for the leave to the District.

An employee who is elected to serve in the New Mexico Legislature shall be granted leave with pay for the number of days for the regular annual session of the Legislature or any special session of the Legislature called by the governor plus ten (10) additional days to attend to his or her legislative duties. Any additional days with pay necessary to carry out legislative duties may be granted upon request to the Superintendent.

**ARTICLE 47
SICK LEAVE BANK/TRANSFER OF LEAVE**

1. The parties acknowledge that it is in the best interest of both the District and the employees to limit payments from the Sick Leave Bank to those situations in which no alternative funding is available. To facilitate reaching this goal, all members of the Sick Leave Bank shall be required to attend a presentation on the benefit of acquiring disability insurance. The Union will encourage employees to obtain disability insurance. Should an employee be eligible for coverage by both the Sick Leave Bank and an insurer, the Sick Leave Bank will become the secondary income provider.
 - 1.1 A Sick Leave Bank shall be maintained whereby an employee who suffers a long-term illness or disability which requires extended hospitalization or home confinement and for which no worker's compensation benefits are available shall be eligible to apply for paid sick leave after the employee exhausts all accumulated sick leave.
 - 1.2 The Sick Leave Bank shall be composed of three (3) employees appointed by the Federation and three (3) employees appointed by the District. Appointments shall be made annually. A chairperson shall be elected by the

appointed members at its first meeting. Decisions shall be made by a majority vote of a majority quorum.

- 1.3 An employee may join the Bank by completing an application and contributing sick leave to the Bank. Contributions to the Bank are not refundable. Applications for membership in the Bank will be accepted prior to October 1 of each year or within thirty (30) calendar days after an employee is hired, whichever is later.
- 1.4 An employee shall be eligible to withdraw from the Bank provided the employee has contributed at least one (1) day to the Bank.
- 1.5 An employee who exhausted all accumulated leave shall be eligible to apply for sick leave from the Bank. If the employee's application for days is accepted, the committee will reserve the right to determine the number of days awarded.
- 1.6 Maximum lifetime withdrawal from the Bank shall be forty (40) days.
- 1.7 If the total number of days in the Bank is reduced to one hundred eighty (180) days, the Committee will require members to donate an additional day to the Bank. All members will be provided written notice of the need for additional donations. Membership will be continued provided the member contributes the additional day. Previously donated days shall not be refunded to an employee upon termination of membership.
- 1.8 An employee who has applied to the Bank for sick days may attend the meeting at which the Committee will review the application. The employee may be accompanied at the meeting by a representative or the representative may attend alone on behalf of the employee. The Committee shall have the sole authority to either approve or disapprove applications for Bank benefits. The decision of the Committee shall be final.
- 1.9 All applications for days shall be considered accepted unless voted against by a majority of the Committee. Decisions of the committee shall not be subject to district grievance procedures. Failure of the committee to follow procedures set down in this article shall be grievable.
2. Any full-time employee experiencing a medical emergency, regardless of membership in the Sick Leave Bank, may solicit accrued annual or sick leave from another employee, and any employee may donate, or transfer, accrued annual or sick leave to another employee/recipient experiencing a medical emergency who has solicited a donation of annual or sick leave. The maximum lifetime receipt of transferred or donated leave to any individual employee shall not exceed forty (40) days. Please refer to GISD Board Policy GCCG.

District Substitute Procedure
(Appendix A)

The purpose of this document is to formalize the process for acquiring substitute teachers in the District. This process reaffirms the employee's responsibility for contacting their supervisor/designee and utilizing the District's automated system.

At the beginning of each school year, each employee shall receive and sign a receipt of this document.

When an employee contacts his or her supervisor or supervisor's designee, the supervisor or designee shall not use the call as an opportunity to discourage the employee from using leave. The call shall be to inform the supervisor or designee, not to ask for permission. This procedure shall be utilized at each site/campus.

When an employee is to be absent, he/she shall **follow the process outlined in the District Substitute Procedure**, and call the substitute desk in accordance with any written process established by the District.

Employees at sites/departments other than those as a school campus (i.e. Nursing & Health Service, Gadsden Administrative Complex, Physical Plant, Student Nutrition Program, Construction and other District satellite facilities) are subject to the current directives of supervisory/departmental personnel relative to absence reporting procedures.

When an employee becomes ill during the school day, he or she shall notify his or her supervisor immediately; and if necessary, he or she shall use available general leave.

Employees who are absent shall notify their principal or immediate supervisor one- and one-half hour (1.5) prior to the end of the duty day if they do not expect to return the following day.
