To Be Presented By: Rafael Gallegos, Executive Director for Energy Management & Construction

Approved By: Ludym Martinez, Associate Superintendent for Finance Date – May 18, 2022

Background and Summary:

Bid No.: 21-22-82 The Executive Director for Energy & Construction requested Bids for Anthony Pre-K Asbestos Abatement. Sun City Analytical Inc., prepared and designed the Plan and Specifications for the proposal Bid on behalf of Gadsden ISD. Bid was advertised in the Las Cruces Sun News and was posted on Gadsden ISD website. Responses were received from two companies. The following companies were Crosstown Construction Environmental and Southwest Hazard Control. The low bid was Southwest Hazard Control, but was considered non-responsive since they did not submit a bid bond document that was specified on the Bid specifications and required by PFSA for this project. The company selected was Crosstown Construction Environmental as the successful bidder for \$4,950.00 with a unit price of \$3.50 for any add-ons or deletions.
