Re: 2021/2022 New Bus Replacements

Cristie Stuart

Enclosed please find documents relating to the new buses that were approved for replacement and purchase for the 2021/2022 school year. We were approved to replace the 2010 Model Year buses. At this time we have received and placed into service all 7 buses approved..

Enclosed are the documents for the 7 buses in order for the BAR to be processed and approved for rental fee reimbursement.

Enclosed please find:

1. Copy of Title/Registration Application for each new bus – the Final Title/Registration has not been received from MVD, and will be forwarded to you once we receive them.
2. Approval Letter from PED for each new bus
3. Database Update Form for each new bus
4. Retired Bus Vehicle Information

I have also enclosed a copy of the PED Rental Fee Schedule; a breakdown of calculations for the additional rental fees for this current school year; and an amended Appendix A & B to the Fleet Contract. Our calculation for rental fees for the 7 new buses is \$159,467.00 for the next 5 years.

Please do not hesitate to contact me should you have any questions or need further information in order to complete the Transportation BAR.
