**MEMORANDUM**

**TO:** Superintendents, Business Managers, & Transportation Directors  
**FROM:** Katarina Sandoval, Deputy Secretary KS  
**RE:** **FY22 Emergency Fuel Allocations**

---

The Public Education Department (PED) has granted allocations from the Emergency Transportation Fund to supplement increased fuel costs incurred in FY22 for to and from transportation. The intent of these allocations are to be used for district owned and contractor operations. The awards were calculated using data reported on second and third reporting periods. All entities receiving an award are listed in Exhibit A. These funds are for fuel adjustments only and cannot be transferred to any other object in your budget or contract expenditure.

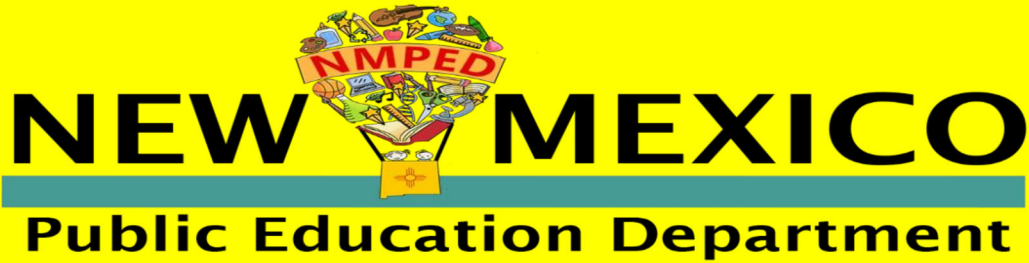

Please submit a BAR through OBMS for the award amount using fund code 13000 and revenue object code 43104. Please note that contracted services should be adjusted in object 55112 and copies of amended contracts need to be submitted with the BAR. School districts who operate their own equipment shall budget their amount in the respective objects: 56211 – Gasoline, 56212 - Diesel and/or 56213 Propane/Natural Gas. Please note the final award amounts in exhibit A shall be expended by June 30, 2022.

If you have any questions regarding your emergency fuel allocation, please contact Ms. Consuelo Barraza, Financial Coordinator, at [consuelo.barraza@state.nm.us](mailto:consuelo.barraza@state.nm.us), (505) 677-6691.
