To Be Presented By: Shane Smythe

Approved By: Jessica Cadena Date – June 15, 2020

Background and Summary:

District currently has excess surface water allotted for 2022 that is not likely to be used for irrigation. Administration recommends the sale of the excess to interested parties for \$90.00/ water righted acre (market value determined by EBID). If approved for sale, EBID will add it to their list of customers selling allotments and provide interested buyers the contact information for GISD.
