Background and Summary:

Mesquite Elementary (MQE) has experienced a significant enrollment decline along with decreases in enrollment across the district. North Valley Elementary and Vado Elementary have adequate space for these students which would create a cost savings for the district. On Tuesday January 10, 2023 we held a meeting with staff assigned to MQE and allowed them to share their input and thoughts. Community meeting tentatively scheduled for Tuesday January 17, 2023 at MQE.
